About Autism Career Training

Autism Career Training (ACT) is a nonprofit providing center and community based vocational and prevocational training for individuals (referred to as our "trainees") on the autism spectrum. We believe each trainee has unique gifts to offer. At ACT, we help our trainees discover those gifts. By investing in this work, you will be providing these overlooked individuals with opportunities to discover their unique talents and advance towards independence and future career success. Your support of our golf tournament will make a tangible difference in the lives of individuals on the autism spectrum. Thank you for your consideration!
